Volunteer Plastic Surgeon at Child Cancer Hospital, Brazil

Subject: ADJUNCT FACULTY AT HSA.

Dear **Professor Múcio João Porto,**

Health Services Academy is an autonomous degree awarding institute striving to promote public health in Pakistan. Health Services Academy is acting as a hub for capacity building of public health professionals, policy advice and public health research.

2. I am pleased to offer you the position of adjunct faculty on recommendation of academic faculty. I believe you will find an exciting and rewarding environment at the academy where the contribution of the faculty is valued. Your participation as adjunct faculty would supplement the teaching staff by contributing through teaching and research supervision activities, at Health Services Academy.

3. The terms of this title confer upon your certain privileges (except financial) similar to those of the regular academic staff. These include general access to academy building, use of the library and IT facilities. In addition, you will receive various online publications, invitations to the conferences and events held at the Academy.
